by INTELLIGO

Payroll Solutions you can Trust

Versalift UK Limited uses Intelligo's payroll software, MegaPay, to manage the payroll for their UK employees.

## Background

Versalift is the world's largest vehicle mounted platform manufacturer with over 95,000 units sold since 1965. They have over 50 years of experience in the design and manufacture of premium quality access equipment. Versalift UK alone has sold over 7000 units since its formation in 1994 and today holds a market share of almost 90%.

Versalift UK is part of the Time Manufacturing Company which was acquired by the American private equity firm, The Sterling Group, in 2017. It is a sister company to Versalift Denmark and Versalift France and together they are committed to providing first class after sales support to their European customers.

## Choosing Intelligo

According to Coral Headley, HR Manager for Versalift UK Limited, they were driven to seek an alternative provider for their UK payroll needs and chose Intelligo over the other Payroll providers in the marketplace.

This was due to Intelligo's ability to deliver outstanding quality, service and value, as well as the Project Manager's knowledge of MegaPay.

## Benefits

Coral added that the main benefits and key features for Versalift are that MegaPay can really support their payroll needs with particular focus on:

- Ability to meet Payroll Needs
- Extremely User Friendly
- Reliability and Security
- Easy to Use Functionality

## Working with Intelligo

A client of Intelligo for a number of years, Versalift UK Limited rates our responsiveness to enquiries as one of the top reasons for their overall satisfaction when working with Intelligo. As Coral added "The key features we like the most is the support desk and staff. It is out of this world!"

Intelligo are proud to have worked with Versalift UK Limited to ensure the successful migration and use of MegaPay.

We will strive to continue meeting the payroll needs of the payroll department and its staff, with many more years of successful partnership to come.

*"MegaPay meets our payroll needs for Versalift UK as it always keeps up to date with UK legislation requirements and is a user-friendly payroll solution"*
