There have been about 700 updates in total throughout 2022, with Platform and new products like Litmos and Opportunity Marketplace as this year's top climbers.

To determine how these improvements will impact customers, our team of global SuccessFactors experts have been reviewing the release material, assessed new functionalities, and presented the information as detailed articles.

Last week, we published a [series of these articles](#) authored by our expert consultants featuring the 2H 2022 SAP SuccessFactors release updates for the whole HXM suite of modules.

All these articles have been compiled into a comprehensive eBook, making it a gateway to understanding the critical updates that the 2H 2022 release brings and how to best utilise them.

So, do not wait any longer and click the link below to download your free copy of the eBook.

We sincerely hope you have benefited from and enjoyed this series. We would love to hear your feedback, so don't forget to reach out to us via [email](#) or one of our [social media outlets](#).
