

Albida

Workday Advisory Partner

Helping solve your transformation puzzle

We are proud of our 100% on time and to budget record for Finance, HR and Payroll deployments.

We have supported multiple global Workday full platform deployments, including a customer with **32** legal entities in **14** countries with **24** integrations, on time (25 weeks) and below budget.

It's the smoothest transition to a new ERP I've ever experienced.
