

Financial  
wellness for  
your people with

**Employee  
Self-Service**

## SOLUTION OVERVIEW

**Employee satisfaction and financial wellness are at the heart of the payroll process and its resolve.**

The employee self-service delivers valuable information to your employees, eliminating uncertainty, providing consistency, and making payroll as easy as possible for the employee to get on with the business of life.

## KEY BENEFITS

1

### **Increased Trust and Loyalty -**

Transparency means employees are more informed about their payment information.

2

### **Employee Empowerment -**

Visibility of their pay data enables employees to get on with the day-to-day business of their personal lives e.g., mortgages, and bills.

3

### **Real-time Access -**

Payroll information and supporting documentation all in one place keeping employees informed.

4

### **Reduced Employee Queries -**

Resulting in enhanced experience and a more engaged workforce.

5

### **Improved Employee Experience -**

Through a centralized global payroll service.
