MegaPay

Outsourced Payroll Solution

MegaPay Outsourced is our flexible payroll service, delivered and managed by an experienced team of payroll professionals.

sdworx
formerly Intelligo

Overview

MegaPay Outsourced is our flexible payroll service, delivered and managed by an experienced team of payroll professionals. that is a combination of employing best practice in payroll together with the power of cutting edge payroll technology in the form of our "best of breed" payroll system, MegaPay.

This greatly simplifies the outsourcing relationship as there are just the two parties involved, the Client and SD Worx, formerly Intelligo. The staff employed within our Outsourced Payroll Department are responsible for processing our clients' payrolls are highly experienced and seasoned Payroll Specialists.

SD Worx, formerly Intelligo, is a trusted outsourced payroll partner for many of the world's most recognised brands, who rely on us to deliver accurate outsourced payroll services, each and every pay day. We have built an enviable reputation for delivering dependable and reliable payroll solutions.
