

MegaPay

MegaPay is a versatile payroll engine that has been built to be configurable, robust and adaptable – to changing circumstances, environments, and requirements – no matter the complexity.

Overview

The Number 1 payroll system choice for Ireland's Public and Corporate sector. MegaPay is used throughout every major industry with clients ranging in size from 300 to 50,000+ employees. Our system is trusted to pay approximately 20% of Corporate Ireland today. MegaPay is a robust payroll platform for companies with complex payroll needs.

We don't build bespoke systems. We configure our systems to meet your requirements. This means that all of our effort, our focus, our intellect, is concentrated on updating, testing and supporting a single version of MegaPay. This in turn translates to less risk and less cost for ongoing updates/upgrades, allowing for a stable, robust and versatile payroll solution for you.
