

# Switching to PayFit is quick and easy!

Setting up your PayFit account has never been easier. Not only will the transition be quick, but we'll also help you to migrate your existing payroll data and onboard you in just a few days.

## WHY CHOOSE PAYFIT TODAY?

**SIMPLE**

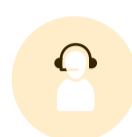

**FAST**

**RELIABLE**

**PERSONALISED**

## 1 | QUICK SETUP, RELIABLE AND AUTOMATIC

PayFit will help you set up your account and import your data, regardless of whether you're already using payroll software or working with an accountant.

**Your onboarding manager will guide you** throughout the setup and will also be available to answer any further questions.

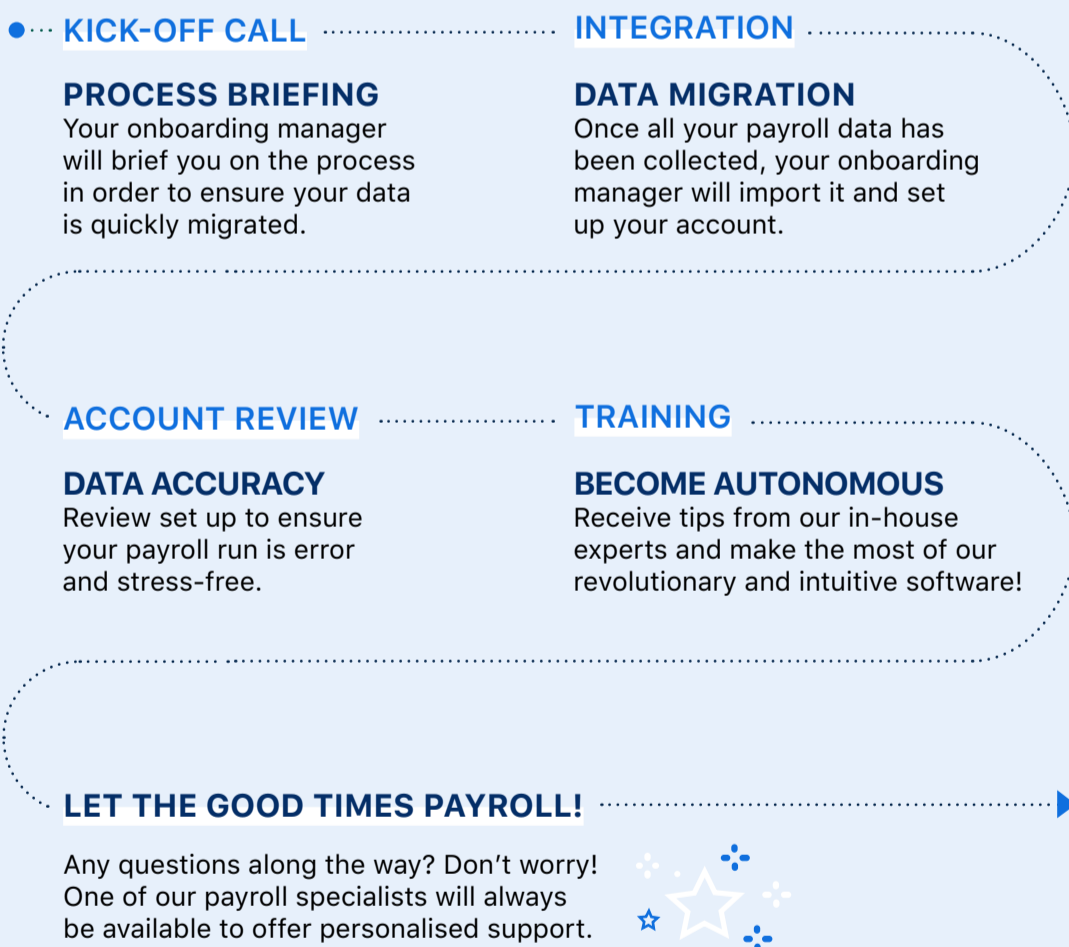

The process is quick and **looks to eliminate errors** that are commonplace with manual data entry.

**Average time to migrate data and set up a PayFit account**

## 2 | TRAINING WITH AN EXPERT

Once your account is set up, we will **assist you in running your first payroll** and make sure you get to grips with our intuitive software.

"The flexibility PayFit provides is excellent. Our account was set up within three days! The back up of a fantastic support team also removes the legislative stresses."
