THE HR PRACTICE RETAINER SERVICE

Trusted HR advice just a phone call away

Whether you are an owner of a start-up business or a busy department manager within an ambitious growth business, you'll recognise the need to wear many different hats!

With constant changes in legislation, dealing with people is becoming increasingly complex. Fortunately, we can unlock all your HR challenges from contract issues, sickness absence, flexible working requests to maternity/paternity leave requirements, disciplinary processes, redundancy, tupe and restructuring plans.

We ease the worries associated with managing people by becoming your virtual HR Manager, here for you whenever you need us. With our annual retainer service available for a small monthly fee, you can contact the team anytime to receive HR advice to ensure you are on track with all your HR matters, enabling you to focus on what matters most - running your successful business.

Our Retainer Service: Key Benefits

- ✓ Unlimited HR telephone advice
- ✓ Comprehensive Review of your Company Handbook
- ✓ Regular newsletter informing you on latest industry updates and changes to legislation

Contact the team today to see how The HR Practice can become your new, trusted HR partner.
