

All your Global Payroll in one place

Automate payroll operations.
Expand globally.
Hire and pay compliantly.

Solutions to fit all of your Payroll and Global Team Management needs

Payroll

Set up payroll in new locations. Avoid costly penalties or mistakes. Run compliant, error-free payroll.

Consolidation

Manage payroll for all your employees, entities and providers in one place. Integrate your HRIS and ERP tools with the Lano platform.

EOR

Hire employees in 170+ countries without the need to set up legal entities.

Payments

Pay your global workforce in local currencies while saving on costly exchange rates.

Lano is a unified payroll and compliance platform built to simplify global team management.

With services like global payroll and consolidation, multi-currency payments, Employer of Record, and contractor management Lano transforms manual, time-consuming tasks into streamlined, integration-powered, automated processes.

Covering **170+ countries**, it provides the tools and flexibility your businesses needs to thrive and expand.
